

FULL SEND BRAZIL

PREA, NOVEMBER 22-28, 2026

The week ahead

This trip is for friends and friends of friends – a week of wind, adventure, music, and Brazilian vibes.

We'll chase the trade winds along the coast, ride long downwinders, discover new spots, and spend our days on the water. Off the kite, it's all about good food, sunset hangs, Brazilian rhythms, dancing, and sharing those spontaneous moments that make a trip unforgettable.

bites/drinks @ Tatajuba
Last night dinner - Prea

Workshop and Panels

Jumping & Downwinder Workshop with Hannah Whitley

3× British Champion and World Champion Hannah Whiteley brings nearly two decades of professional kitesurfing experience to the water with us in Brazil.

This hands-on workshop is all about progression, confidence, and style. Hannah will break down the fundamentals of jumping – from timing, takeoff, and kite control to getting more height and landing smoothly – with individual tips to help refine your technique.

We'll then take those skills into a downwinder, learning how to read the conditions, choose better lines, use the waves and terrain, and ride more fluidly along Brazil's iconic coastline. Expect practical coaching, personal feedback, and plenty of time on the water – with Hannah keeping progression playful along the way.

Workshop and Panels

Concious Connection & Limited Beliefs With Silvia

What if the biggest limits in our lives are the ones we've unknowingly created for ourselves?

Led by executive coach Silvia Christmann, this interactive workshop explores the beliefs, patterns, and comfort zones that can quietly shape what we think is possible. Through guided reflection and practical exercises, we'll uncover where we may be holding ourselves back, challenge the stories we've outgrown, and create greater clarity around what we truly want.

Just as we push our limits on the water, this is an opportunity to explore what happens when we push beyond them in life – and open ourselves to what might be possible on the other side.

Music & Activies

Tolmie

Tolmie creates immersive soundscapes that blend melodic house, organic rhythms, and storytelling into a set that feels both grounding and expansive. Expect an energy that slowly builds into something playful, euphoric, and deeply connective.

Nne

Wake up, warm up, and get the body moving. Nne will lead us through an energizing morning HIIT session combining functional movement, mobility, and strength to loosen up, build heat, and get us ready for a full day on the water.

Alessandra

Alessandra will guide us through morning flow and breathwork to ground the body and set the tone for the day — from our open-air bungalow nestled in the jungle, with the ocean breeze rolling in before the wind picks up.

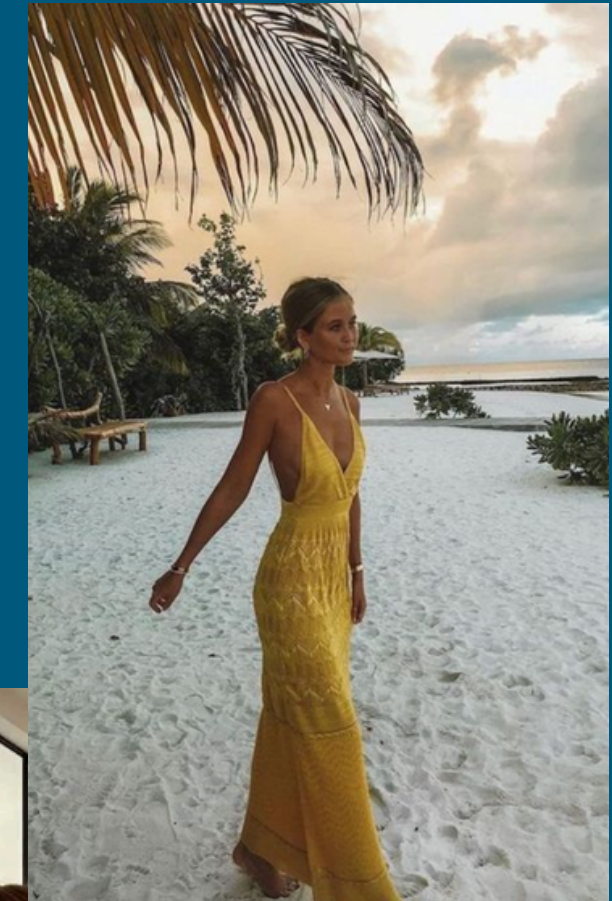

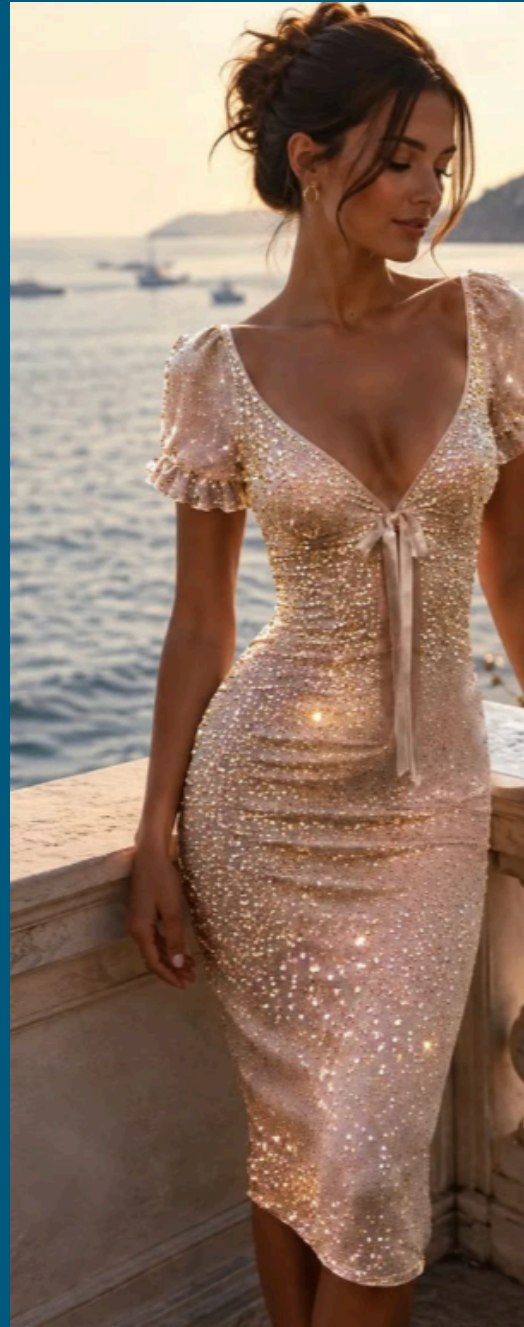

Zacky

Zacky will lead us through intimate acoustic sing-along nights filled with nostalgic throwback songs, feel-good classics, and the kind of music everyone somehow knows by heart.

Theme Nights

Brazilian Beach Chic ✨

Think effortless Brazilian summer – breezy linens, flowing dresses, crochet, silk, natural textures, sun-kissed skin and statement jewelry. Barefoot encouraged. Elevated, sexy, but never overdone. Candle-lit Dinner with Brazilian Acoustics

Theme Nights

White Night

All white or sand. Flowy fabrics, linen, lace—keep it easy, effortless, and chic. Think boho, beachy, or clean and minimal. Picture an amazing sunset and a dinner with music, and that feeling you only get when you're somewhere special.

Where

Preá, Ceara, Brazil

Rancho do Peixe Hotel, Prea'

FLY TO DESTINATION

JERICOACOARA AIRPORT (JJD)

Located just 20 minutes from the hotel. If you're flying via São Paulo, this is the most convenient airport to arrive at.

FORTALEZA (FOR)

Another option is to fly into Fortaleza. We can arrange a private transfer from the airport to the hotel, approximately a 4-hour drive.

What to Bring

- Sun protection SPF 50 waterproof (Zinc Cream with SPF works very well)
- Sunglasses preferably with strap, bring two pairs so you have a backup if you lose one in the water
- Hat preferably with strap
- Medications: Prescription and non-prescription.
- Long Sleeve Lycra
- Dry bag to carry objects on the beach
- Kitesurfing gloves to protect your hands from abrasion and blisters
- Surf Ponchos
- Windproof jacket

SEE YOU IN BRAZIL
